

Preston School Academy Trust

Pupil Premium Grant (PPG) – Expenditure Report 2016-17

Overview of the Academy

Total number of students and PPG received	
Total number of students on roll	981
Total number of pupils eligible for PPG	221
Total Amount of PPG	£154,620

Pupil Premium Grant Objective

The Government believes that additional targeted funding will tackle the underlying disadvantages that exist between qualifying students and their peers. The aim of the PPG is to raise attainment among those students who qualify by providing a range of learning opportunities that enable the students to reach their full potential regardless of the circumstances that might otherwise impede their progress and prospects.

By utilising the enhanced learning experiences provided through the PPG, qualifying students can reduce the attainment gap between them and their peers, achieve greater social mobility and have access to the 'best' in further education.
