Dear Parents:

The shop is understandably very busy during late August so why not shop early & avoid the queues?

We can fit your children with the correct sizes and should you wish, we can save the whole of your uniform order for you to collect & pay for before the start of the new school term.

Or, by joining our informal Savings Club, you can pay for a uniform gradually. You may save as little or as much as you want - whenever you want – redeeming the savings upon purchase.

As always, we will endeavour to source special size requirements. As special size articles sometimes have extended lead times, if you think you may have need of this service, please provide as much notice as possible to avoid delay or inconvenience.

Please be aware we have to apply VAT @ 20% to all sizes from 36" chest upwards.

As part of the schoolwear association, for four years we have actively supported an initiative to the UK government to remove VAT from logoed school uniform items to date, with no success.

We have done our absolute best to support parents by holding uniform prices.

**Our new on line shop will soon be open –find us on [www.schoolwearandmore.co.uk](http://www.schoolwearandmore.co.uk)**

We look forward to providing you with a quality personalised service for your all your uniform needs.  
With kind regards - Schoolwear and More.
